In the name and by authority of The United States, and The State of Texas, I, Michael Haendel, hereinafter referred to as "Complainant," under penalty of perjury, do state that I have personal knowledge I have good reason to believe and do believe based upon the following information:

Complainant had very little experience with legal procedures, and invited several friends to "Court Watch" his proceedings, and to provide measure of comfort from this experience. Complainant was sure video recorded evidence of event would prove Complainant not guilty of charges. One of the Complainant's witnesses did speak out of turn in the galley, however Alfred Jenkins III, acting Austin Municipal Magistrate, hereinafter referenced "Perpetrator" asked witness to refrain from interrupting, however never asked witness to leave court room. To witnesses' credit, no information was filed against Complainant, nor even complaint, opposing party, City of Austin Attorney, was not present. Complainant moved Perpetrator for court reporter, however Perpetrator insisted he would function as court reporter, and did not record many of Complainant's motions or arguments. Complainant moved for dismissal, however displaying bias, and without presence of opposing party, denied dismissal.

Perpetrator as acting as Austin Municipal Magistrate on July 16, 2010, during Complainant Arraignment, in front of witnesses, did threaten Complainant, by stating he would "Shove it down your (Complainant's) throat ", in reference to court order moving Complainant proceedings to Pre-Trial Hearing.

AFFIDAVIT

In the name and by authority of The United States, and The State of Texas, I, Michael Haendel, hereinafter referred to as "Complainant," under penalty of perjury, do state that I have personal knowledge I have good reason to believe and do believe based upon the following information:

John David Philips, acting as Travis County Magistrate, hereinafter referenced "Accomplice" on or about April 11th, 2011, did secret, and continues to secret from prosecution Michael Pont, as acting as Austin Municipal Police Officer, Sherry Statman, Austin Municipal Court Judge and Magistrate, Andrew Garbe, Austin Municipal Prosecutor, Jackie Gerban, Austin Municipal Prosecutor, Patty Robinson, Austin Municipal Assistant Chief of Police, see criminal affidavits from Complainant against above listed Austin Municipal employees. Accomplice further compounds his violations of Texas Penal Code by ruling Complainant paid fine and court cost of \$69, even confronted with evidence of money order amount of \$71, and numerous, verified statements of Complainant intended and did pay Appeal Bond.

On or about April 13th, 2011, Complainant and witness, while using functioning, recording, audio recorder requested from Accomplice clerk copy of Accomplice Oath of Offices and Bond. From testimony of Accomplice clerk, and Travis County Sheriff deputies, Complainant was arrested on the claim of not exiting when directed from John David Phillips clerk office. Audio recording, and filed transcript clearly shows Complainant was never asked to leave Accomplice clerk office, and upon later verification, John David Philips has not attested to oath of office compliant with 4 USC § 104.
